Roberto Minelli

software engineer, researcher, geek, foodie, serial traveler

"Education is what remains after one has forgotten what one has learned in school." -Albert Einstein

Work

2021 — present	**Academic Coordinator**	Software Institute (USI)
2018 — 2021	**Postdoctoral Fellow**	REVEAL @ Software Institute (USI)
2012 — 2017	**Researcher and Teaching Assistant**	Università della Svizzera italiana (USI)

Education

2012 — 2017
Ph.D. in Informatics
REVEAL @ Software Institute (USI)
Research Advisor: Prof. Dr. Michele Lanza
Thesis: Interaction-Aware Development Environments

2010 — 2012
Master of Science in Informatics – GPA 9.29/10
Università della Svizzera italiana (USI)
Thesis: Software Analytics for Mobile Applications

2007 — 2010
Bachelor of Science in Informatics – GPA 8.63/10
Università della Svizzera italiana (USI)
*Thesis: Commit 2.0 for Eclipse*

Projects

2018 — 2021
Computational Urbanistics
As part of the National Research Programme 75 "Big Data" (NRP 75), I am developing a platform to aggregate and visualize heterogeneous information about cities

2012 — 2017
DFlow: A Profiler for IDE Interaction Data
DFlow is an infrastructure to model, record, analyze, and leverage the interactions between developers and IDEs

2012
SAMOA: A Software Analytics Platform for Apps
SAMOA is a web-based software analytics platform to analyze mobile apps and discover their peculiarities

Service and Collaborations

Since 2018	**Internal Service & Outreach**	*As Academic Coordinator, I co-organize events, conduct outreach activities, and act as a "bridge" between the research groups of the Software Institute*
Since 2016	**Academic Service**	*I served 4 times as Program Chair and I have been part of 13 other OCs and 10 PCs (e.g., ICSE, ICSME, ICPC)*
July 2015	**Visiting Researcher @ University of Chile**	*I visited PLEIAD lab in Santiago (Chile) to collaborate with Prof. Robbes. Our work has been published at ICPC 2016*
Since 2014	**Co-supervision of Students**	*I co-supervised more than a dozen BSc projects and MSC thesis and I collaborated with PhD students*
Since 2013	**Speaker at Software Engineering Conferences**	*I love to design slides. I presented the results of our research at Software Engineering conferences*

Awards

2013 — 2015	**CHOOSE Sponsorships**	*CHOOSE, a special interest group of the Swiss Informatics Society, sponsored my travels to several conferences*
2012	**Summa cum Laude (Master of Science)** Università della Svizzera italiana (USI)	*I obtained the Master degree with the highest degree of praise: "summa cum laude" awarded to the top graduates*
2010 — 2012	**Scholarship for the Master in Informatics** Università della Svizzera italiana (USI)	*I obtained one of the 5 grants offered by USI, based on merit, to cover the tuition fee of the Master*
